CLOSED

Safety

In response to the need for a safer Alamosa Park, the gate we use for pick up will be locked until 4:45pm daily.

Please remember that our homework time ends at exactly 4:45pm as well. Therefore, there may be times it takes our staff a few extra minutes to get everything set up at the gate for an orderly pick up.

Thank you for your patience as we adjust to this new pick-up protocol.

Absences

Please remember to call us if your child is going to be absent from ASES. This greatly helps us keep everyone safe!

The ASES Grant requires that your child(ren) stay every day until 5:30pm or their authorized early release time. If you pick up earlier than this time, that day will not count towards your child's attendance. If he/she has more than three (3) unexcused absences or early pick-ups, then he/she will be dropped and we must fill the spot from our ASES wait list. If you have any medical notes regarding an absence, please provide them to the staff.

Toys/Personal Items

Please see that your child leaves his/her personal belongings/toys at home. These items often cause a distraction to other students and create other problems between students.  Thank you for your understanding!

Staying Healthy

Please remember to send your student with a jacket every day. We also strongly encourage sending them with their own water bottle. Keeping warm & hydrated will help keep your student(s) happy & healthy!

****Don't forget to label EVERYTHING!****

Emergency Drills

We practice monthly emergency drills. If you notice we are practicing a drill, please do not interrupt. Thank you for your patience and understanding.
